

CGTI Facts: The Top Four Things Middle & High School Students Need to Know

**How do you know
if attending CGTI
is right for you?**

Great question!

We're here to give you those answers and make sure you know about all the opportunities that CGTI has to offer you! Below you'll find answers to the top four questions we get from interested students.

Use Your Voice

When you attend CGTI, you'll get to work with peers from your school and community, creating action plans that tackle issues that are important to you. Over the school year, you'll lead these plans and empower those around you to join in on making a difference.

Plan Your Future

You'll leave CGTI with resources, skills and tools that will help you on the path to your future. Students at CGTI work on leadership, communication, goal setting, critical thinking, data analysis, strategic planning, evaluation and more. These skills are impactful on resumes and college applications. CGTI also equates to 22 service hours!

Find a Family

At CGTI, you have the opportunity to meet other like-minded leaders interested in positive change and healthy decision making. Students come from across Illinois and around the world! Together, you'll have the opportunity to engage in small and large group team building and other fun activities that bond you as a family!

Cultivate Passion

At CGTI, you'll get to witness expert keynote speakers share their knowledge and leadership as well as pick workshops to attend that speak to your interests and passions. You'll leave CGTI feeling inspired, motivated and empowered to do and learn more!
